Engraved Brick Frequently Asked Questions

The Town of Clifton Park, inspired by the service of its Military men and women, is initiating a “Buy a Brick” program open to all who would like to support this Town initiative.

Who can be honored on a brick? Do they have to be a Clifton Park Resident?

Any person who has or is serving in one of the five branches of the U.S. Armed Forces can be honored. The bricks can also be purchased in honor of a military unit, ship or an organization. They do not have to be or have been a Clifton Park resident.

What can be inscribed on the Brick?

Inscriptions are limited to Three Lines. 15 Characters per line- See Application for Sample Engravings

The name of honoree does not fit within the 15 “characters.” Can I have more space?

The amount of space is limited by the engraving technique and the size of the letters. All lettering will be uniform, so bricks are limited to only 15 “characters” per line including spaces without exception.

Can I select the location for my brick? I am buying several bricks for family members. Can they all be together?

The Town of Clifton Park cannot take requests for specific placement of bricks within the Walk of Honor. We will attempt to locate together multiple family member bricks that are purchased at the same time but cannot guarantee that they will be placed together.

When will my brick be installed?

Bricks ordered up to 30 days prior to the completion of the Veterans’ Memorial will be placed prior to the formal dedication. Bricks ordered after construction will be placed when the minimum order number (to be determined) is received.

How do I order my brick(s)?

A separate brick order form must be completed for each brick ordered, accompanied by payment. The order may be mailed, or hand delivered to the Town of Clifton Park Town Hall, Parks and Recreation office. Order forms are available at Town Hall or online at www.cliftonpark.org, see the Veterans Memorial Island Tab. Cash, check, credit, or Apple Pay is available in person in our Parks and Recreation office
